supporting events in
Hathern since 2011

Welcome...

A BIG BIG thank you to everyone for making our Hathern 2018 programme of events such a great success. 2018 was special for the village commemorating a triple anniversary – the visit of King Edward II in 1318, the casting of the oldest church bell in 1618 and of course the end of the First World War in 1918.

The Hathern 2018 team oversaw and co-ordinated the events, many of which were successfully delivered because our community groups and organisations co-operated, and we thank them for all their hard work. It really was Hathern Together. And that's what our team will be in the future. The success of 2018 has spurred us on to organise another programme for 2019, supported financially by the Parish Council.

In this brochure you will find details of our many community groups and their events in the first six months of 2019. We have something for everyone in Hathern. Why not come along to an event or join one of the groups we have in the village? We particularly extend an invitation to anyone new to Hathern to get involved. You will be assured of a very warm welcome.

Keep in touch with the latest news on our Facebook page or website. Let us know if your group has an event in the second half of 2019.

HATHERN BELLRINGERS

HATHERN PARISH CHURCH

Church bells are the biggest and among the loudest musical instruments. Hidden away in the top of tall church towers their sound has been part of the "rhythm" of life in villages, towns and cities for over a thousand years.

In 1792 there were five bells and the oldest was the third bell cast in 1618. Today there are eight bells. The old third, now the sixth, is still the original 1618 bell - 400 years old and still being rung today.

Hathern is an Association of Ringing Teachers Hub and welcome anyone who would like to learn more about the bells or learn to ring.

They practise ring regularly on Thursday evenings and on the 4th Thursday of each month they ring at Belton to keep their bells in working order!

HATHERN GARDEN CLUB

HATHERN VILLAGE HALL

Hathern Garden Club is a small friendly group of people who share a common interest in gardens, gardening and related subjects.

They meet on the second Monday of each month during the winter months (October to April) in the Village Hall when they have presentations or speakers on a variety of subjects with a garden or floral theme.

In the spring and summer time they get out and about to enjoy the beauty of British gardens and plants by visits to sites of gardening interest in Leicestershire and adjoining counties.

They usually also manage to find a place to enjoy a cup of tea or coffee and a cake!

Their annual membership fee is only £15 but for £4 visitors are always welcome at talks and outings so why not go to one of their events and check them out?

During that time, they have produced several publications and audio-visual presentations. They regularly mount exhibitions of photographs and items of historical interest and have recently set up a website.

Currently, they are researching industries and businesses that have flourished in the village over the past centuries and are particularly interested in the buildings associated with the framework knitting industry.
